Metropolitan Community Church (MCC) Newcastle is an outreach of NewCoast MCC, which operates out of Morisset. MCC was originally formed in USA to provide a safe space for Gay, Lesbian, Transgender and Bisexual Christians to worship God. It has now become a spiritual home for all who believe and who are seeking, a community of many different types of people with differing beliefs.

MCC Newcastle is seeking to create a space where we are able to explore, discuss, experience, worship and listen. We recognise that we are all pilgrims on a search for meaning and need to find ways to share our thoughts and our experiences. We are interested in authenticity over orthodoxy. We place a lot of emphasis on being together and we will have many small group activities during the month as well as a Worship Service on the first Sunday of each month. We also emphasise issues like Fairtrade and Environmentalism simply because we believe this is a good thing to do. We invite all people to participate in our community and worship life, without insisting that they become like us. We welcome all people including:

- believers and those who are not sure what they believe*
- conventional Christians and spiritual searchers*
- women and men,*
- those of all sexual orientations and gender identities,*
- those with differing physical and learning abilities.*

Come and help us create this space as we journey together side by side.

A scrumptious morning tea will follow the gathering.
